1. OWNERSHIP CHANGE

An ownership change may have tax implications. If the new owner is a non U.S. citizen, a completed W-8 or W-9 is required. If the new owner is a Resident Alien, please send a copy of Green Card. For more information, contact your tax adviser.

If changing the ownership to a Trust, please provide a copy of Trust Agreement, including the title page, signature page, and any applicable trustee designation pages and amendments to the Trust. A completed W-8 or W-9 is required. If changing ownership to a grantor trust, please be aware that our contract requires the death benefit to be paid upon the grantor's death, which could result in adverse tax consequences if the grantor and the annuitant are not the same person. For this reason, we strongly advise you to consult with your tax advisor prior to effecting such change.

If changing ownership to a Corporation, please provide a copy of the Corporate Resolution. For Corporations or Entities within the United States, a completed W-9 form is required. For those outside the domicile of the United States, tax certification is required. Please refer to the Internal Revenue Service website at www.irs.gov for the appropriate W-8 tax form.

Note: For annuity products, a change of ownership may create a taxable event. A transfer of ownership to a "non-individual" such as a corporation, partnership or trust may result in a loss of tax deferred status.

The existing Beneficiary(ies) Designation on the Company's records will continue as is unless a new Beneficiary(ies) Designation is requested by the New Owner(s). To request a new Beneficiary(ies) Designation, please see Section 2.

An ownership change terminates all scheduled activities. In order to set up new scheduled activities, please fill out the appropriate form(s).

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OWNERSHIP CHANGE

Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account. What this means for you: When you change policy ownership, we will ask for the new owner's name, address, date of birth, and other information that will allow us to identify the new owner. We may also ask to see the new owner's driver's license or other identifying documents.
